Message from the Managing Director
Dear Shareholders,

I, Gaurav Kumar, Managing Director, preciously welcome you all. having joined Regency Fincorp Limited family with your participation. It is my desire and wish that this association of ours, will strengthen our hands to reach glorious heights.

It gives me great pleasure to state that the Company witnessed steady progress during the financial year 2022-23 with continued execution of its strategic objectives of sustainable growth and improved efficiencies.

The Indian economy has begun to recover since the second half of FY 2022-23. Thus, FY 2022-23 began with an expectation that we would soon see GDP surpass the pre-pandemic level of the financial year 2019-20.

The Monetary Policy Committee (MPC) on 8th February 2023 announced that the repo rate increased by 25 basis points. This made the Repo rate to reach 6.50% (from the 6.25% earlier).

The reverse repo rate stands unchanged for fy 2022-23 at 3.35%. The Bank Rate and the Marginal Standing Facility (MSF) rate has changed to 6.75%. The Standing Deposit Facility Rate is 6.25%.

We have continued to entrench our presence in the existing territories and have expanded further by exploring new territories. We have opened 3 new branches in Punjab in the cities of Jalandhar, Jagraon and Tarn Taran during FY 2022-23 and also exploring the opportunities in other cities.

I am truly grateful to my fellow Board members for their support and guidance that remained consistent all times and on all fronts. I would like to conclude by expressing appreciation and gratitude for my dedicated and committed team at Regency Fincorp Limited, our esteemed customers, bankers, channel partners and all the other stakeholders for their unwavering support and I look forward to strengthening our relationship in the future.

Yours sincerely,

Sd/-

Gaurav Kumar

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Developments:

The Financial Year 2022-23 began with an expectation that we would soon see GDP surpass the pre-pandemic level of the Financial Year 2019-20. That has just about been the case. Despite the recovery, we as a nation have still lost two years of GDP growth.

The Second Advance Estimates of National Income for the year 2022-23 and quarterly GDP estimates for the quarter October-December, 2022 (Q3 2022-23), alongwith First Revised, Second Revised and Third Revised Estimates of National Accounts for the years 2021-22, 2020-21 and 2019-20 respectively was released on 28th February, 2023.

India's per capita net national income (at current prices) for 2022-23 stands at INR 172,000, according to estimates from the National Statistical Office (NSO). This marks an almost 100 percent increase from the per capita income in 2014-15 – INR 86,647 – when the Narendra Modi government first came to power.

When accounting for constant prices [2011-12 prices], India's per capita net national income (NNI) (in real terms), increased by about 35 percent from INR 72,805 in 2014-15 to INR 98,118 in 2022-23.

NNI is an indicator of the total economic activity in a country, and is defined by the OECD as gross national income minus the depreciation of fixed capital assets (dwellings, buildings, machinery, transport equipment and physical infrastructure) through wear and tear and obsolescence.

The below table from the NSO shows India's per capita gross domestic income (GDP), per capital gross national income (GNI), and the per capita private financial consumption expenditure (PFCE) at 2011-12 prices between 2020-21 and 2022-23.

Per Capita Income, Product, and Final Consumption – Second Advance Estimates of National Income and Expenditure Components of GDP, 2022-23 (at 2011- 12 Prices)

Item	2020-21	2021-22	2022-23	Percentage change over previous year	
	(Second Revised Estimates)	(First Revised Estimates)	(Second Advanced Estimates)	2021-22	2022-23
Population (in million)	1355	1369	1383		
Per capita GDP (INR)	1,00,981	1,09,060	1,15,490	8.00%	5.90%
Per capita GNI (INR)	99,578	1,06,822	1,13,144	7.30%	5.90%
Per capita NNI (INR)	86,054	92,583	98,118	7.60%	6.00%
Per capita PFCE (INR)	57,728	63,595	67,555	10.20%	6.20%

As input prices and the Therefore, production costs remain high, due to global uncertainties among other factors, companies in most industries are passing on higher spending to final consumers to preserve earnings margins.

This is why India is currently witnessing a K-shaped economic recovery post-pandemic as consumption is slowing down and household savings decline. Wage growth is also under pressure in the lower half of the income pyramid.

The RBI, meanwhile, is attempting to rein in the inflation with policy rate hikes.

The consumer price index (CPI) inflation reached 6.5 percent this January; it was 5.88 percent last November and 5.72 percent in December. India's average inflation rate was 7.2 percent year-on-year for the first half of FY2022-23; it was 5.8 percent in the previous two years.

The COVID-19 pandemic pushed many Indians on the lower rungs of the economic ladder into further poverty. The averages – like per capita metrics – often mask these severe income inequalities on the ground. As the government pursues redistributive policies, results need to be delivered on equitable access to healthcare, quality education, and jobs. Often, numbers get inflated during time of release near elections and budget season as welfare programs incentivize short term gigs.

Size of India's economy fifth in the world

Still, in absolute terms, India remains a bright spot on the world stage, as it grows steadily from a relatively low base. Last year, India overtook the UK to become the world's fifth biggest economy, after the US, China, Japan. and Germany.

Multiple initiatives to ease doing business and expand the manufacturing share of the economy as well as the push for skill development – offers promise to convert India's human capital into a talent base that feeds higher quality development. According to its central bank, the Reserve Bank of India, at current prices and exchange rates, India will be a US\$3.7 trillion economy in 2023, remaining fifth in the world standings.

We have an experienced and dedicated team of professionals, catering to the needs of clients, delivering products at reasonable interest rates& timely.

Threats:

- Change in Policy and Regulations.
- New entrants in the market and intense competition by existing players
- Technology may become obsolete due to Innovation in Technology

3. Risk Management and Concerns:

Risk Management forms an integral part of your Company's operations. Your Company continues to focus on a system based approach to business risk management. It broadly

involves identification & potential risks, their analysis and impact as also risk mitigation initiatives to address the same. The Board of Director of the Company oversees the risk management Process.

4. Recent Trend and Future Outlook:

NBFCs have become important constituents of the financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. NBFCs are leveraging their superior understanding of regional dynamics and customized products and services to expedite financial inclusion in India. Lower transaction costs, quick decision making, customer orientation and prompt service standards have typically differentiated NBFCs from banks. Considering the reach and expanse of NBFCs, they are well-suited to bridge the financing gap in a large country like India. NBFCs have demonstrated agility, innovation, and frugality to provide formal financial services to millions of Indians.

This is an enviable track record despite the business models of the NBFCs being severely tested by four large external events in the last few years, namely, (i) demonetization, (ii) GST implementation, (iii) failure of few large NBFCs, and (iv) the pandemic. The fact that many NBFCs have managed to overcome these stresses without significant impact on financial position is a testimony to their resilience and agility.

Financial institutions play a crucial role in ensuring economic stability for households and businesses at critical junctures. The pivotal role of NBFCs in driving sustainable fiscal growth is well recognized, given their last-mile connectivity and agile system. The sector has played a decisive role in accelerating last-mile funding and understanding the credit requirement of the Unbanked and Underserved. Aided by the government's thrust towards a digital economy, the sector has also undertaken significant digital transformation and invested heavily to become tech-agile institutions offering personalized products and services, ensuring faster credit disbursement.

As India strategizes post-pandemic economic recovery through fiscal measures and businesses aim to expand capacities, NBFCs have an enormous opportunity to assist in achieving the noble goal of Aatmanirbhar Bharat through the fast-tracked flow of credit to businesses and households. As the latest data on Udyam Portal shows, a significant proportion of registered businesses are micro businesses, Union budget 2023-24 offers an opportunity to bring in a targeted scheme for expanding credit to micro businesses.

We believe that NBFCs with superior capital adequacy, better margins, frugal cost management, prudent risk management and those incorporating above four key cornerstones in their business models will continue to deliver sustainable growth in the foreseeable future.

INDEPENDENT AUDITOR'S REPORT

To

The Members of **Regency Fincorp Limited**
(Previously known as Regency Investment Limited)
Report on the Financial Statements

Opinion

We have audited the accompanying standalone quarterly financial results of Regency Fincorp Limited (previously known as Regency Investment Limited) for the quarter ended as at March 31, 2023 and the year to date results for the period from April 1st 2022 to March 31, 2023, attached herewith, being submitted by the company pursuant to the requirements of regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, as amended ("Listing Regulation").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit/loss and other comprehensive income and other financial information for the quarter ended March 31, 2023 as well as the year to date results for the period from from 1st April, 2022 to 31st March, 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have

fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always

detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- iv. Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
